

PARENTS,

It's important to have a home fire escape plan for your home. You need to have **2 ways out of** every room in your home in case there is a fire. Fire Prevention Week is a perfect time to complete this fire safety checklist together. If all boxes have YES checked, great job! If there are some boxes checked NO, work with a grown-up to fix the problems.

The _____ Family's Fire Safety Checklist

- YES NO Do you have working smoke alarms on every level in your home and inside every bedroom?
- YES NO Are the smoke alarms in your home interconnected so when one sounds they all sound?
- YES NO Does a grown-up test your smoke alarms at least once a month?
- YES NO Are your smoke alarms less than 10 years old? If they are more than 10 years old, you need new ones.
- YES NO Does your family have a home fire escape plan?
- YES NO Do you know 2 ways out of every room?
- YES NO Does your plan have an outside meeting place?
- YES NO Does your family have a fire drill at least twice a year?
- YES NO Do you get outside and stay outside if the smoke alarm sounds?
- YES NO Does everyone at home know how to call the fire department once they are outside?
